

Attention Presidents

It's Time for RYLA!!!

Please give the attached "RYLA WANTS YOU" page to your school contacts or students for RYLA registration. It is very important for you to provide the students with your Rotary Club name as they will not be able to complete their application without it. This year you will not have access to the printable forms until the students have completed the online application.

Please remember that application should be in by in by April 1st and also send any alternates that you have as some clubs will not have students to send and we might use your students to fill those spots (designate ALTERNATE on app)

Remember space is limited so send your checks in today so your students do not miss out on a life changing opportunity.

Remind the Rotarians in your club that we are always in need for Team Assistants at camp and it can be as life changing for them as for the kids!

If you have questions regarding registration or RYLA contact Karrie Good at mortcon@aol.com or Mike Darnold at darnoldmike@gmail.com (949) 395-7275

RYLA WANTS YOU

Students and Counselors,

The Rotary Club of _____ is looking for future leaders and we want to send you to the most amazing leadership camp. High School Juniors from all over Orange County will come together in Idyllwild, CA for a 3 day event where you will learn what leadership, ethics and “service above self” really mean. You will also be participating in a ropes course that will help develop the skills to put what you have learned into action.

Interested? Check out our website at www.ryla5320.org and click on the Future Campers link and go to HOW DO I APPLY. You will need to know the name of the Rotary Club who might sponsor you so keep this paper handy. If you have any question or need further assistance with registration contact Karrie Good at mortcon@aol.com or Mike Darnold at darnoldmike@gmail.com (949) 395-7275 and mention RYLA.

Thank you,

RYLA Coordinator
